Women's History Month

March 5, 2021

As we "Return Stronger *I Hope that you are Making it a Marvelous March Madness Wolverines!*

We are now facing another new norm as we return safely back to school. We celebrate Women's History Month and the coming of spring. Newness is among us. Let's embrace it. Proceed with caution. Teach, learn and grow. We are capable and confident. Continue to take care of yourself, strive to achieve your goals and do as well as you can. Spring forth and be great! **Reminder:** We have tools (resources and information) in place for you (scholars and teachers alike) to be successful on our new and improved interactive OHS virtual library website <https://jeaninejoneslis.weebly.com/>.

Library Orientation:

Sending a huge THANKS to all that participated in the Library Orientation! Teachers, I appreciate you taking the time out of your busy schedules to share your classes with me. Continue to remind students of all the cool resources offered. Students, thank you for being engaged. Many students completed the post survey. Hopefully, credit was given for that accomplishment. Kudos to Ms. Cooley and Ms. Thompson for completing the **Teacher/Partner Post Library Visit Survey**. Three to five minutes of your time to input honest feedback to improve O.H.S. Library services goes a long way.

Read Across America Day

Read Across America Day is a celebration of literature on March 2nd or the whole week. The day was established by the National Education Association (NEA) in 1998 to help get kids excited about reading. Read Across America Day celebrates diverse books featuring books that are inclusive, diverse and reflective of society. Let us know how you will be celebrating this day in your school by sharing any pictures or information about your celebration.
