

*Summer, Summer, Summer Time!*

*I Hope that you are having a Joyful June Wolverines!*

We made it! Thru testing! Virtual learning! Health Crisis!...And all things Pandemic! We are ending "a different kind of year". As the year comes to a close, so does the library. As of June 2, 2021 per SCS Library Services, all school libraries are closed for the school year to conduct annual library book inventory. We have close to 15,000 books on hand that must be accounted for. Those books checked out pre-pandemic by scholars will be counted as lost. Although the physical library is closed, our virtual resources extend beyond the 180-day school year and are available 24 hours a day, 365 days a year. Make it a point to utilize resources from our new and improved interactive OHS virtual library website <https://jeaninejoneslis.weebly.com/>. I have enjoyed serving you.
