Welcome Back Wolverines!

Hope you are having a fantastic start to the new school year! 2021-2022 will be as great as you make it! We had a virtually long school year of new learning platforms, new norms and learning remotely from home. Then, teachers returned stronger to school to support scholars who wanted to explore the in person learning option. Hopefully, you took care of yourself, achieved your goals and did well. Now it is time to go forth into the new school year stronger, safer and smarter. Here to help us achieve our goals, is our new librarian Mrs. Hill. Well-Read Wolverines let's welcome Mrs. Hill the Overton Way! We have tools (resources and information) in place for you (scholars and teachers alike) to be successful on our new OHS virtual library SWAY/website.

Welcome to Overton High School Library!!! 2021-2022

Computer logon for students:

Student ID yourstudentID@student.scsk12.org
(your lunch number is your student ID)

Example:

UN: 123456@student.scsk12.org

PW: Password1

1. Once you logon you will be prompted to change your password. Do not use your name.
2. Change it to something you will remember and store in a safe place where you can access it in case your memory fails you. Remember do not use your name in your password.
3. Remember to log out of your account when you are done using any computer for safety measures.

Microsoft Office Login: login.microsoftonline.com

Sign in with your username and password to access your Microsoft Office Suite. There you will find your email and apps to enhance your learning.

Note: Teachers may access student login ID/email address by typing the student's name in the SCS Microsoft outlook email To field (as if sending the student an email). If passwords need to be reset teachers can contact the help desk and they will assist over the phone.
