Hello Overton Library Users,

This virtual semester is underway and as Ms. Boyd says, like Gumby, we must be flexible. Before you know it we will be on fall break. This week is Banned Book Week.

Also, here is a humorous and enlightening piece as we are enduring these times:

Reminder: We can explore this resource until 9/30/2020. Please take time to do so and share with your scholars. Let me know if you are interested in using the Lightbox ebook program and I will order us some of the high school titles.

Here are the condensed instructions for accessing the Lightbox trial for SCS:

Go to www.destinydiscover.com . Select IL as the state and select zFSS – Lightbox School as the school. Then when you are on the next page, you will see a log in button on the top right of the screen. Use ShelbyCounty as the username and school as the password.

The key is selecting IL as the state and zFSS – Lightbox School as the school. This is a special trial shelf for Lightbox that we set up for our customers outside of their own shelf environment.
